April 27-May 3

(Hebrews 4:12-13)

G – Gather for Prayer

Father,

Thank you for revealing Yourself to me in Your Word. Encourage me to know it, memorize it, study it, meditate upon it, and apply it in my life.

In Jesus' Name, Amen

R – Read the Text (Hebrews 4:12-13)

“For the word of God is living and active and sharper than any two-edged sword, and piercing as far as the division of soul and spirit, of both joints and marrow, and able to judge the thoughts and intentions of the heart. And there is no creature hidden from His sight, but all things are open and laid bare to the eyes of Him with whom we have to do.”

O – Observe what God has said

How does the author describe the Word of God? Why does this mean?

What makes it difficult to study God's Word?

W – Work on Application

God's Word is truly awesome as it is a living organism that communicates in real time the timeless truths of God which suffer incredible implications. It is able to expose our condition and direct us to the cure that is Jesus Christ. For this reason, it should be heeded, respected, and believed not only in its particulars, but also in general. To be sure, God's Word, as framed in this passage is an extraordinary gift from God, that, like God's Son, divides all men into believers and unbelievers, the saved and the lost, the sheep and the goats.

What steps can we take this week to become more familiar with and knowledgeable of the Word of God?

What parts of God's Word are more or less familiar to me?
